BORROMEO  
SCHOOL**

## **St. Charles School Newsletter: Week of 12/3-12/7**

Dear parents, families, and friends of St. Charles Borromeo School,

Welcome to December! A few reminders and announcements as we enter the holiday season and the final two weeks before Christmas recess.

First, basketball season is underway and we hope to see many of you at the games! Whether you have a child on the team or not, please know you're always welcome to cheer on the Lions at home or away games. The full schedule for the season is attached in the sports section below. We also have a cheerleading squad who will be performing at home games! I've had a preview of their routine, and it's excellent! I hope you all can join us for a few games this season.

Second, if you want to support the basketball team or the school itself, we have partnered with the school apparel company FanCloth to produce some specially-made St. Charles swag! Head to [THIS LINK](#) to check out the options! A small portion of each order comes back to support the school. Orders must be placed by Dec. 15, but despite our efforts, they won't be here by Christmas. Regardless, we hope this is a great opportunity to show school spirit and support the school!

Please share the news with friends and family that applications are open for NEW students for the 2019-20 school year! Interested families can head to our website

for instructions on how to apply. Re-registration for current families (most of you!) will be shared after the new year.
